

DESIGN

CUA30720

Certificate III in Design Fundamentals

Learn about colour theory, drawing, design, typography, and collaboration and start your career in the creative industries with this foundational, entry-level course.

Experience a variety of projects to begin shaping your design style and inform your progression to an area of specialisation. Building from a base of history and theory you will follow the design process and collaborate with your peers to explore colour, drawing, 2D & 3D, typography, page layout and industry software.
